

AIM Phrase Scoops (Level 1)

Ben had a plan. He got his sled. He went
to the hill. "This is fun!" he said. He slid fast.
The wind was cold, but he did not stop. A dog
ran up. "Can I go, too?" the dog said. Ben
got up. "Hop in!" The dog got in. They slid
and slid. The sled hit a lump. They fell
off the sled. Ben got up. He said,
"Let's go back!" The dog and Ben ran fast.
